The statement that Mr Pilkington is not a "whole time" Officer requires notice. I believe he was not required to detach his connection with private undertakings already in hand; but he was understood to be always available for this work.

I do not know that there is much use in a diary, if Mr. P. is asked to do all the work connected with this deputation that may come

to him in ordinary Course
or referred to him by
either Dept concerned.

I have the honor to be,

M. Narain Rao Esquire

Deputy Commissioner

Kadur District.

Sir,

With reference to your letter no. 1588 of 3d/4th instant, re Government order no. R. 2407-10 R.J. 100-96 of 28th November 1902: — I was not aware that I was now required to submit a fortnightly diary. It was originally proposed that I should give my "whole time" to the work of "Inspector of Coffee Estates": but this was subsequently modified to 5 visits in the course of the year, and my advice regarding the Coffee Estates, when required, by the Deputy Commissioners of Kadur and Hassan. When not on tour, therefore, a Diary would contain little more than a record of letters written; and, being without the services of a clerk, would entail a good deal of personal clerical and copying work.

If, however, Government still desire me to send in a fortnightly diary, I shall of course be

be glad to do so; but shall be glad of information on the following points.

(1) In what form is the Diary to be kept? and what information is to be supplied therein?

(2) Will the requisite printed forms for keeping the Diary be supplied?

(3) To whom is the Diary to be submitted?

(a) The Deputy Commissioner of Kadur?

or (b) the Deputy Commissioner of Hassan?

or (c) a copy to both?

I have &c.
